

ACCESS ONLINE COURSE

Your account to our online learning environment is already made, and you received an invitation to your email. You are already enrolled to "Social Media Calendar 2021" online course once you create a password and log in to your account.

If you didn't get the email with a request to create a password, please login [here](#) —> and click "Forgot Password?" to create a new one.

You will always find your online course in learn.socialmediacalendar.co

From the online course, you will find all your materials and tutorials that will help you to take full benefit of your calendar.

This .pdf is just a backup that you can use to access your products if you somehow didn't receive an email with a request to access to the online course.
